

## Water District Rates Will Be Increased; Percolation Plant Nearing Completion

Rates of the Alameda County Water District are slated to be increased the first of the year, according to W. D. Patterson, president of the board of directors. The raise will approximate 25 per cent.

A committee of the directors is now studying the problem of increased costs, and recommendations will soon be forthcoming, he said. Patterson stated that capacity of the distribution system of the district is being exceeded and that more and more Hetch-Hetchy water is being bought for local use. This water costs the district more than the amount for which the district sells it.

This forces a rate increase, he pointed out.

### SERVICE INCREASES

When pipelines were laid, Patterson explained, the district officers anticipated 50 years of growth in the area. However, rate of growth has constantly accelerated, and now the system is requiring enlargement. There are numerous calls for new pipelines.

Annexation of the area east of the Niles-Mission San Jose highway from Canyon Heights to the Mission is being planned by the district. The present reservoir in Canyon Heights will not allow service to any homes that might be constructed north of the subdivision. Annexation of the area concerned will be necessary before the district can expand the facilities there.

### PERCOLATION SYSTEM READY

The water district president stated that construction of the percolation system at the gravel pit east of Niles will be completed in about 30 days. Excavation work is finished and forms are being constructed for the pipes which will carry flood waters from Alameda Creek into the pit.

### ORCHARDS HARMED

Concerning the general problem of water shortage, Patterson stated that orchards already have been heavily damaged by lack of water. Unless there is adequate rainfall this winter, some orchards will be ruined.

Rainfall most valuable to the area is that which falls from Christmas until spring, he said. Should this be another dry year, he anticipates that the type of farming in the region will change, with fields being devoted to grain and hay crops rather than to vegetable growing.

### DECOTO YOUTHS IN JAIL FOR THEFT

Three Decoto youths received jail sentences in the Niles Justice Court Friday following their pleas of guilty to charges of stealing \$2 from Walter J. Hendrickson of Alvarado.

Manuel Baca was sentenced by Judge E. A. Quaresma to 60 days in the county jail and two years probation. Adolfo Leal and M. Miramontes each were sentenced to 30 days, with two years probation. The defendants were represented by Attorney Edward Plotner of Oakland.

## NILES CHAMBER INTERESTED IN NEW DISTRICT

Formation of a recreation district in Washington Township was discussed by the Niles Chamber of Commerce at its regular luncheon meeting Tuesday noon at the International Kitchen.

President John Brahmst suggested that inquiry be made into advantages of forming such a district to provide youth of the township with facilities for sports and other recreations.

It was proposed that George Vestal of the Hayward Area Recreational District be asked to explain operation of such districts.

If a local district is feasible, co-operation of other township organizations will be sought.

## IRVINGTON C. OF C TO HOLD YULE FETE

The Irvington Chamber of Commerce definitely will hold its third annual Christmas party for Irvington children, as a part of this year's holiday season program.

That was the decision reached at this week's Chamber meeting, held Tuesday noon, at which Allan Hirsch, Gus Robertson, C. E. DeRosa and Tony Alameda were appointed to a committee to make arrangements.

Date of the program, which will probably be held in the Irvington Theater, is yet to be selected.

In other business, the Chamber appointed Dr. E. M. Grimmer to its park committee, to plan for re-seeding and restoration of the Irvington Park. Serving with Dr. Grimmer are Clark Christensen, Alameda and Hirsch.

Members also decided to plan for Christmas decorations in Irvington, and plan to put up a loud-speaker system in town to broadcast Christmas carols throughout the community.

Present plans on decorations call for an electric light display, of Christmas lights on the park Christmas tree. DeRosa Christensen and Hirsch are in charge of arrangements.

## NEWARK PEEPING TOM REPORTED

Presence of a "Peeping Tom" in Newark was reported to deputies of the Hayward sheriff's office Saturday night by Mrs. Irene E. Davis, 32, 860 Magnolia street, Newark.

Mrs. Davis told deputies her son had noticed a man, described as being tall and slender and wearing a long black coat, peeking through a bedroom window of her home last Saturday night.

She added that a man answering the same general description had been seen lingering near the home of a neighbor nearly a month ago.

## FARM HOME DEPARTMENT PLANS CHRISTMAS PARTY

The Alvarado Farm Home Department will entertain the county committee at a luncheon and Christmas party at the International Kitchen at Niles at 1 p.m., December 1.

Mrs. Adeline Santos of Centerville is chairman of the affair, which is expected to be attended by about 80 representatives of 17 farm home centers in Alameda County.

## NILES FIRE DEPARTMENT CALLED OUT SUNDAY

Both trucks of the Niles Fire Department answered an alarm Sunday afternoon when a brush fire broke out on county road property adjoining the C. L. Hill home in Niles Canyon.

The blaze, which started from trash-burning, was quickly extinguished without harm to any nearby buildings.

## PHEASANT HUNTING GOOD

According to a report from the local nimrods, pheasants this year are plentiful. Leon Solon, who went out hunting to Tolosa in a party of six, reported the limit the first day.

In his party were Bill Estudillo, Leonard Nunes, Russ Lewis, Al Menezes and Vennie Nunes, all of whom also got the limit.

## FINAL PLANS BEING MADE FOR 'NEWARK NITE' DINNER DANCE

Final plans and preparations were under way today for a "Newark Nite" dinner dance to be held at the Club Alabam in Ashland on Wednesday evening, Dec. 8.

Sponsored by the Newark Chamber of Commerce, the program will be under the direction of a chamber-appointed entertainment committee, headed by James Robertson.

Dance music for the program will be furnished by Frank Gyax and his six-piece band.

Robertson this week revealed invitations have been sent to several Newark organizations, including the Newark Sportsmen, Firemen's Association, and Women's Improvement Club, inviting members to attend the affair. In addition, he added, all residents of Newark and Washington Township are invited to attend.

Tickets may be purchased from Chamber officials, or from offices of the various Newark groups.

Serving with Robertson on the entertainment committee are John Kellerman, Jack MacGregor, Vincent O. Kaehler, Edward Bime-miller, G. B. Cotton, Harry Houston and Paul Gyax.

## GOOD DEED ENDS IN HEAD INJURY

The "Good Samaritan" business pays poor dividends these days.

This was the object lesson told Hayward sheriff's office deputies Sunday night by Joseph P. Santos, 42, Newark dairy foreman, who was removed to Fairmont Alameda County Hospital for treatment of severe head cuts incurred by an irate husband he had befriended.

Santos told deputies he met the man and his wife at Mount Eden, and had volunteered to take the pair to Hayward to buy some drug supplies.

While the husband was in the drug store, Santos stated, he drove around the block. En route, he became involved in a minor auto accident, and by the time he returned to the drug store the husband had disappeared.

He added that after unsuccessfully trying to locate the man he had taken the wife back to Mount Eden and left her with her sister.

Later that evening, while Santos was seated in Nellie's Cafe, in Alvarado, the husband entered brandishing a shotgun, and holding the gun barrel, struck Santos several times on the head.

Santos said he had met the pair while returning from a trip to Russell City.

## DECOTO YOUTHS PLEAD NOT GUILTY

Four youths of Decoto, charged with rape, entered pleas of not guilty in Centerville Justice Court Friday. Preliminary examination has been set by Judge Allen G. Norris at 1:30 p.m., December 3.

The accused are Fred J. Sandoval, Joe R. Gutierrez, Bernard G. Perez and Manuel R. Baca. The offense was alleged to have been committed November 5.

The defendants, with the exception of Baca, are at liberty on \$1,000 bail. Baca was convicted in Niles Justice Court Friday of petty theft and sentenced to 60 days in the county jail.

## WARM SPRINGS CHAMBER TO HOLD ANNUAL DINNER

December 15 has been set as the date for the annual dinner meeting of the Warm Springs Chamber of Commerce, following a board of directors meeting last Friday.

The dinner, to start at seven, will be held, as usual, at Hidden Valley. Orville Leitch, president of the Chamber, is making the arrangements.

## Huskies Down Campbell 19-0 To Win S.C.V.A.L. Pennant

By LLOYD AUCHARD

Jud Taylor's Washington High Varsity, colossus of the S.C.V.A.L., last Friday became undisputed gridiron champions by virtue of their smashing 19-0 victory over the second place Campbell Buccaneers, at the Huskies Memorial Stadium.

The final outcome of the league standings depended upon this and the results of Santa Clara's game with Los Gatos. Santa Clara was fortunate to tie with Los Gatos, who held the lead until the last minutes of the game. Though there is one contest remaining, Los Gatos Day at the latter's field, the Huskies 6 win, 1 loss record safely places the championship in their hands.

The Huskies, hampered by their loss of Fullback Mel Lewis, as a result of an ankle injury received in the Santa Clara game, seemed to lack a scoring combination in the backfield.

### GOALWARD MARCH

But midway in the second quarter, with versatile Joe Sankene at fullback, Durazo and Brownlee at halfbacks, and Kiouas at quarterback, they marched from the 50, in seven plays, to score their first tally of the evening when Al Durazo skirted right end for 16 yards and pay-dirt. Sankene's conversion attempt was wide.

The first half ended with Washington leading 6-0. Campbell managed to enter Huskie territory but twice in the first two periods. Due to beautiful defensive by Coach Voorhees' excellent line, in all encounters the Huskie line outplayed opposing lines, aided by their 190-pound average.

Washington's only real threat, due to the Buccaneers' hard-charging line, was halted when they lost the ball on downs on Campbell's 20.

### STRONG DEFENSIVE

The invader's defensive attack was much stronger than their offensive, though the hard-running of Campbell's fleet-footed Del Amblee was continually a threat.

### NEXT SCORE

With but one minute of play having elapsed in the final period, Durazo received a beautiful, spiraling 50-yard punt on his own 15, feigning a run-back to the right, to set up down-field blocks. He

## FUNERAL SERVICES FOR MANUEL DUTRA

Funeral services for Manuel Garcia Dutra of Centerville will be held Wednesday, Nov. 24, at 9 a.m., from the Chapel of the Palms in Centerville.

Mr. Dutra, 72, was a native of Fayal, the Azores. He was the father of Joseph G. Dutra of Thornton avenue; the brother of Mrs. Katrina Caldeira of Centerville and of Mrs. Mary G. DeSilva and Mrs. Rita Faria, both of Bermuda. He was the grandfather of Joseph G. Jr., Barbara Jean and Diana May; the father-in-law of Mrs. Anna L. Dutra. He was a member of the I.D.E.S. Council 14 of Hayward.

At 9:30 a.m., a requiem high mass will be offered for the repose of his soul at Holy Ghost Church. Entombment will be at the Holy Sepulchre Cemetery, Hayward.

## LIVERMORE CONCERT SCHEDULE CHANGE

Many Community Concert members in the township are finding that concerts in other nearby towns which they may attend are proving quite enjoyable.

Those who are planning to attend the Odoposoff concert in Livermore, however, had better remember that the concert has been changed from Nov. 29 to the 30th. He will be in Alameda on the 29th.

## ORIENT CHAPTER TO GIVE FAREWELL-YULE PARTY

The regular December meeting and Christmas party will be held by Orient Chapter, Eastern Star, on the night of December 8. It will also serve as a farewell party for the retiring officers.

A gala evening is forecast, with Christmas gift exchanges and an interesting program. New members of the year will be the special guests of the evening.

## PEERLESS FARE INCREASE REQUEST TO BE HEARD

California State Public Utilities Commissioner Justus F. Craemer December 6 will hear requests of six major state bus lines to raise passenger bus fares at a public hearing to be held in San Francisco.

Applications have been filed individually by the Pacific Greyhound lines, Peerless Stages, Santa Fe Transportation Co., Gibsons Lines, West Coast Bus Transportation Co., and the Interstate Transit Lines, for substantial fare increases throughout the state.

Each of the requests cites substantial operating losses resulting from increased line expense.

At present bus fares are based on a scale of one and one-half cents per mile under 300 miles, a slightly lower rate for longer distances.

The Peerless application asks an increase in 30-day monthly commute book fares to one cent per mile, and cancellation of family commute books.

Under provisions of the applications commute books will cost a minimum of \$4.50 per month.

## WARM SPRINGS TO GIVE ITS FIRST FIREMEN'S BALL

The community of Warm Springs is preparing itself for a "first." For the first time in its history it will stage a firemen's ball.

The ball, to be held at the Newark Pavilion on the night of December 4, is destined to be a tremendous success, judging from the enthusiasm of the little town's citizenry and of its fire department, headed by Fire Chief John Souza.

Chairman of arrangements is Tony Vargas, who promises a grand time to all who attend, with the music you love, as played by Frank Gyax and his orchestra.

Proceeds from the affair will be used for equipment.

## WASHINGTON HIGH GETS \$3,389 AID

Washington Union High School District will receive \$3,389.95 from federal and state vocational education funds for conducting practical programs in occupational training during the 1947-1948 school year.

The total of the funds mailed from the State Department of Education in Sacramento for vocational classes in California amounts to \$1,233,529.37. The vocational education program includes classes in agriculture, trades and industry, homemaking, business, and it offers training both to students in regular day classes and in classes for adults.

## HIGH CHATTER

By MARGARET COLE

"The world is so full of a number of things," among them, I'm sorry to say, report cards. By this time everyone will know the sad news and so if any of you are missing from the social whirl during the next few weeks, it will be understood that some pressure is being applied at home. But cheer up! You'll be in good company.

The last, and by far the best rally of the season was held last Friday. It was dedicated to all the Senior boys who are on the football team. Believe me there are plenty of them. Let's take one of them for instance. He is left tackle on the Varsity, tall, dark and handsome, and what a voice! That's right. None other than Bob Lizardo! Surely everyone will agree that his rendition of the "Whiffenpoof Song" at this rally was super-deluxe. Loud applause greeted his encore "Because." "Swoonderful" Ann Untiedt, a cute Junior miss, sang at this rally and got a big hand with "It Only Happens When I Dance With You." Such an ovation that she had to give an encore, "Maybe You'll Be There."

It's going to be hard to replace Dolly Silveira, Carol Perry and Maxine Novo as majorettes. Dolly, as head majorette, has really set the pace for the job. We're sure

of one thing. There will be plenty of candidates for the job next year and does anyone know how to distract attention from black and blue marks on you know who's elbow.

On Friday night the band, the drill team and the football squad outdied themselves in making the game with the Campbell Buccaneers a smashing climax to a successful season. Evidently Dolly doesn't suffer from acrophobia. It took steady nerves and real skill to do that sensational twirling on the raised drum.

As for the team! Words fail me! (For once.) Not being a football expert I'll leave the details to Lloyd Auchard who's been doing such a splendid job in the Township Register, but I can join with the rest of the gang in being deliriously happy and grateful to the team and coaches for putting Washington Hi in first place.

Can't think of a better way to celebrate a winning game than by having a dance afterwards. The Thanksgiving theme was very effectively carried out by the Freshmen who were hosts for the evening. Everything was so gay and informal, so much so that Steve Richards was outstanding. He wore a bow tie! Did you no-

tice Gerry Homen's glen plaid, boxy suit, with red accessories, and didn't Carol Rogers make you think of a "Symphony in Deep Purple?"

What's this about: Don Pine and Virjean Silveria? Bob de la Torre exchanging signals with some unidentified member of the other sex through the sliding doors of the gym?

Pat Francis being surprised in the shower room. Seems Pat was hailed by an impassioned voice from the other side of the door between the shower room and small gym, "Who are you? Speak to me! Are you Ed?"

Krazy Kracks: (Stolen from the National Echo)

Reporter: "What shall I say about the blondes who made such a fuss at the game?"

Editor: "Why just say that the bleachers went wild."

Teacher: "Can you give me a quotation from the Bible?"

Pupil: "And Judas went and hanged himself."

Teacher: "Can you give me another?"

Pupil: "Go thou and do likewise."

Mrs. Doane: "Take 3 1/2 from 2 1/4 and what's the difference?"

Jimmy: "That's what I say. Who cares, anyhow."

## STUDENTS TO VISIT DENTAL CAMPUS

Forty-two eighth grade students at the Niles Elementary School will journey to San Francisco Tuesday as guests of the University of California School of Dentistry for an afternoon "Cook's tour" of the campus.

The trip, arranged by efforts of Mrs. March Fong, dental hygienist, will be highlighted by showing of motion pictures on dentistry, and free teeth cleaning and polishing.

The group will leave Niles by chartered school bus at noon, under the direction of Thomas H. Morgan, eighth grade teacher.

A total of 806,320 acres in the San Joaquin Valley was planted to cotton this year.

## SPOUL SUPPORTS JUNIOR COLLEGE

That the young people in the East Bay area "are richly deserving of the opportunities provided by an adequate junior college program as any in the state" was the statement today of Robert Gordon Sproul, president of the University of California, as he gave his official endorsement to Alameda County's proposed junior college district which he asks voters of the county to support at the polls on December 14.

"The recent survey of the needs of California in higher education authorized by the legislature, conducted jointly by the University of California and the State Department of Education, stressed the need for junior college facilities in the East Bay area," Sproul said. "In my opinion, the young people of this area are as richly deserving of the opportunities provided by an adequate junior college program as any in the state. I sincerely hope," he continued, "that the voters will authorize the establishing of such a program."

Dr. Robert Gordon Sproul's endorsement of the proposed Junior college district was added to the growing list of University of California officials backing the proposal according to Everett E. Farwell, chairman of the Alameda County Junior College Citizens Committee.

"There can be no doubt of the great need for a junior college district to serve the youth of Alameda County," stated Chairman Farwell, as he announced that "all possible support was forthcoming from citizens everywhere."

## Gee Yuen "feeds good" at Caribou

...where P. G. and E. mountain crews work hard and eat heartily

Appetites grow big at Caribou hydroelectric power plant up Feather River, and Chief Cook Gee Yuen keeps them satisfied. "I just feed good," he explains. That means laying out three tremendous "squares" every day to some of the hungriest men in the country—P. G. and E. crews—maintenance, line, engi-

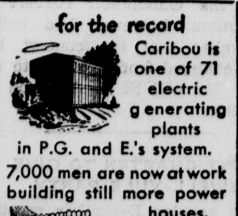

neering. For Gee knows that operating power plants and keeping transmission lines open in all sorts of weather is hard, healthy work...and must be rewarded with good foods. And he knows how to prepare real man-sized meals and special, tasty treats...making him the most popular man at Caribou.

Caribou's cook for 29 years, Gee soon will be ready to retire on a monthly pension, joining over 1200 other P. G. and E. pensioners who now receive regular retirement incomes.

On the job today are 17,500 P. G. and E. employees working in more than 100 specialized fields necessary to produce and distribute power and fuel for Northern and Central California.

for the record Caribou is one of 71 electric generating plants in P. G. and E.'s system. 7,000 men are now at work building still more power houses. By the end of 1951, P. G. and E.'s capacity will be 4,095,000 horsepower.

Great strength, and convenient adjustments make this harrow outstanding for cutting, pulverizing and leveling the soil. For orchard tillage the entire harrow may be offset to the right or left up to 18". This is particularly valuable in working close to trees in orchards. For row crops and vineyard use, the rear gang may be offset so that you can "throw to" or "throw away" from rows. Side draft is no problem with this disc harrow. A handle conveniently located to the tractor seat, enables the operator to compensate quickly and easily for side draft in different soil conditions.

Quickly attached to the Ford Tractor, the complete disc is raised or lowered by Hydraulic Touch Control. Thus, you get fast close turns at row ends...

and blade damage is eliminated while being transported over roads. Built for lasting satisfaction. See us soon!

### THANKSGIVING DAY

Every holiday has its special significance. None, perhaps, has greater meaning than the American habit of setting aside a particular day to count our blessings and give humble thanks to Him from Whom all blessings come.

There are so many specific things Americans can be thankful for, it would be pointless to try to enumerate them. In spite of all the angry words and tension, we're still at peace. In spite of all manner of domestic difficulties, the nation is busily at work and full employment is a fact instead of a Utopian dream.

But day in and day out, human nature being what it is, these and all our blessings tend to be overshadowed by the petty complaints and grievances we all are prone to dwell on. That is why the Thanksgiving Day pause to assess true values in such a salutary thing.

On that day most of us discover once

again that the grass under our feet is really just as green as that on the other side of the fence! That no amount of inflation can affect the price of the best things in life!

### IT'S THE WEATHER AGAIN

The weather is going to be a popular—or maybe we should say unpopular—subject of discussion again this year. California seems headed for another dry season and the rest of the country may get an encore of last winter's frequent snows and raging storms.

While the East and Midwest will be wishing for a pleasant climate, we'll be wishing for foul weather. People are never satisfied.

### COMICS COLLECTION

With all the talk—and considerable action—going on about objectionable comic books it now is found that the sedate Library of Congress has the finest or worst collection. No less than 315 different comic books are available to readers of such stuff.

It isn't that the Library of Congress is purposely specializing in comics for the benefit of the younger generation; it is merely that a copy of every magazine on which the publisher gets a copyright must be sent there. According to Washington observers congressmen are not among those who read the comics.

Maybe they get enough laughs reading the Congressional Record.

Mr. and Mrs. E. A. Miller and family were guests at the wedding of Miss Jean Brown of Hayward. Jean is a very close friend of the family. She was married at the Baptist Church in San Leandro, and had a reception in the Labor Temple in Hayward. The bride and groom will take a short honeymoon trip to Santa Cruz.

#### A FULL MONTH

November has been a very full month for the Crosswhites, what with so many birthday dinners. Last Wednesday Mr. Carl Crosswhite was honored on his birthday and given a dinner at his mother-in-law's home in Warm Springs, where twenty-five relatives were present. Last Friday Mrs. Crosswhite's sister, Mrs. Gordon Besley of Sunnyvale was given a birthday dinner at the home of her mother in Warm Springs. Her sisters and sisters-in-law and their children were present.

#### WEEK-ENDERS

The Irven Borba family spent the week-end in Modesto visiting friends and pheasant hunting.

On Monday their daughter, Norma Lee, celebrated her fourth birthday and had the following guests for cake and ice cream: Susie Nielsen, Joanne Chrysler, Susie Beckway, Susie McKiernan, Tommy Cole, Buddo Harrelson, Bill McKiernan, Toby Miller and Buddy Lee.

#### AT THE MILLERS

Miss Betty Jo Sharp was the week-end guest of the E. A. Millers. Also spending Sunday with the family were Mr. and Mrs. Willard Pennington of Hayward.

#### BACK HOME

Mrs. D. G. Clark, who has been convalescing in Colorado for the last three months, has returned to her home on Canyon Heights Drive.

Last Monday Dot McKiernan and family, together with her mother and father from Chicago, drove to Twain Harle to visit the Osbornes, formerly of Canyon Heights.

#### TO MEET NEXT WEDNESDAY

The Arts Appreciation section of the Country Club will hold its meeting on December 1 at the home of Mrs. Roland Bendel.

The program chairman for the evening will be Mrs. Loren Marriott, who will lead a discussion of the short story.

### TOWNSHIP FARMER GROUP ELECTS

A constitution and set of by-laws will be presented to the newly formed Young Farmers Association of Washington Township, December 2, when an executive committee composed of club officers reports on work during the two documents.

The group, which will meet alternate Thursdays at the quonset hut on the Washington High School campus, is formed to train leaders in farm organizations. Jed Ox-borrow is advisor of the group, and Anthony Dutra, president.

Also elected at the first meeting, attended by 16 at the farm hut at Washington High were: Arthur Santos of Mission San Jose, vice-president; Salvador Galvan of Warm Springs, secretary; and Norman Rose of Niles, treasurer.

Directors will be elected and a constitution adopted at the next meeting December 2. All farmers aged 17 to 30 are invited to join.

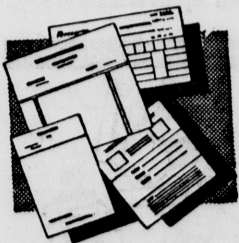

### VISITING VICAR TO CONDUCT SERVICES

The Reverend Frederick Daglish, vicar of St. John the Baptist Church in Capitola, will celebrate the Holy Eucharist at 8 o'clock Sunday at St. James Church in Centerville, it was announced today by the Rev. Arthur C. Freeman, church rector.

Rev. Daglish will also conduct morning prayer service at 11 o'clock, with a choir for this second service.

The Capitola vicar has held pastorates in Southern California and Canada.

### PRINTING of Distinction

WHETHER it be a small quantity of business cards or a complete line of business stationery . . . The Township Register commercial printing service will do the job well and economically.

## Following the Golden Rule Leads to Happiness

\* \* \* \* \*

You've seen him around Niles—an elderly, bent old man of aristocratic bearing, who sells neckties, and ladies' apparel, and other odds and ends. Though he is in his mid-eighties, his eyes are keen and his conversation glib. His name is George Barker.

A graduate of Oxford University, he was ordained in the Church of England and has held high church posts during his long lifetime. A spell in the hospital recently gave him more time to think on the world and its ills.

He has reached, through personal experience, a sensible and far-reaching conclusion: that many heartaches, many tragedies in the world could be averted were we to follow one simple precept—the Golden Rule.

The following is a sermon he wrote this week on this very subject. The editor felt that now, during the holiday season, is the time to print it.

\* \* \* \* \*

### "THE GOLDEN RULE"

"All things whatsoever ye would that men should do to ye even so to them: for this is the law and the prophets."—St. Matthew 7:12.

Long ago, when the Master was giving His Sermon on Mount, He showed them how to get the best results in the business of living by proclaiming the most important rule. In substance it is very ancient. In various forms Zoroaster and Confucius impressed it on their followers in Persia and China many centuries ago. In a negative fashion Buddha preached it on the banks of the Ganges five hundred years before Christ.

Yet the Lord Jesus took this old saying, changed it into positive form, and summed up all His teaching about human relationships in His Golden Rule.

"All things whatsoever ye would that men should do to you, do ye even so to them; for this is the law and the prophets." Although one seldom hears a sermon preached on it, yet this is the Golden Rule of the Christ, the pure gold of the mind and the heart, not just for originality but because of its genuine goodness, its effective power to bring the best results. The very fact that other great teachers of mankind have grasped this mighty truth in one form or another is a testimony of its power. The failures of many persons are plainly due to their ignorance of this Golden Rule or their unwillingness to practice it. The remarkable results obtained by others in the field of human relationships—and who can live apart from that field—can be traced to their knowledge and obedience to that principle which, according to our Lord, sums up all the law and the prophets.

If the Golden Rule means that we should put ourselves in the other fellow's place and act toward him as we would like others to treat us, then one can truly say that this is a divine as well as a human rule. When God so loved the world that He longed to redeem mankind, He didn't stay far off to tell us what was good for us.

No, He came in Jesus Christ as the Babe of Bethlehem. The boy of Nazareth, the Man of Galilee, the Crucified of Calvary, the Victor of Easter.

When we study the Master's relations with people, we find that the Perfect Life consisted largely in putting Himself in the other person's place, in seeing the inmost desires and deepest longings of others and then ministering to them.

Perhaps it was just the perfect insight into the needs of others that caused the most amazement. To the sick of the palsy He said, "Thy sins will be forgiven thee." To Zacchaeus who was up a tree He said, "Today I must abide at thy house." To the proud and self righteous Pharisees, "He that is without sin let him cast the first stone." Indeed, the Gospel of love for God and neighbor might well be called the religion of the Golden Rule. The practice of thinking first of others, the royal road to success by looking through the other man's eyes.

### ROYAL ROAD TO SUCCESS

It is a royal road to success because it brings results. When a man like Dale Carnegie wants to teach modern business men "How to Win Friends and Influence People," he makes this Golden Rule the very heart of his teaching. Over and over he stresses in his book which thousands have read, the vital principles of the Golden Rule. If you want people to like you, you must be genuinely interested in them. If you desire pleasant treatment from others, you must first smile and be pleasant to them. If you aspire to be effective in human relations, encourage others to talk about themselves, consider their interests first, be lavish with your praise and encouragement, and sparing with your criticism. Here is where the old Gospel and new psychology unite. Said Jesus, nineteen centuries ago, "He that loveth his life shall find it; Seek ye first the Kingdom of God and all these things shall be added unto you."

Now Dale Carnegie, Dr. Henry Link, and other modern experts are

telling them who want success in life that the most important rule is to forget yourself and think of others.

### LET'S CONSIDER SELFISHNESS

But what of those who still think that results are to be obtained by the rule of selfishness? What of those who think that they must look out for NUMBER ONE, because if they don't nobody else will? The answer is plain. It comes both from the wisest of all, the Lord Jesus Christ, and from the latest and best modern authorities. He who seeks himself will finally be the loser, while he who considers others and strives to serve their needs will surely and finally gain the truest success. Perhaps now and then the selfish policy seems to be the winner.

The ever seeking for self means the violation of the GOLDEN RULE and the acceptance of the devil's own principle. It never pays to sell one's soul for temporary gain. Consider the positive aspect of this rule, "Do ye even so." Never mind what the other fellow does. It is your Christian privilege to take the initiative, and make the first move, begin to do now what you think others ought to do toward you. Never forget that this GOLDEN RULE changes human nature. The hardest human hearts are melted by kindness. Apprecia-

tion lightens the heaviest tasks. Courtesy lends value and dignity to little things in human relations. Smiles radiate friendliness. Thoughtfulness creates happy hearts.

Therefore, let us resolve here and now to follow the Master's GOLDEN RULE, to practice the fine art of putting oneself in the other fellow's place! Instead of the cold and unwise rule of mind-ing our own business, let us be on the alert to say and do what will interest, please, encourage, and help every person we meet, and never forget that—

"All things whatsoever ye would that men should do to you, do ye even so to them: for this is the law of the prophets."

### PRESBYTERIAN CHURCH PLANS CHRISTMAS PARTY

Teachers of the Newark Presbyterian Sunday School held a meeting to plan for the Christmas program for the children. The date was set for Tuesday evening, December 21.

The need for a class for the young married people was discussed and plans were considered for forming such a class in the near future.

The young people of the church are planning a hay ride party for Saturday evening, Nov. 27.

RESOLUTION OF INTENTION  
NO. 12 N. S.

IN THE MATTER OF THE CONSTRUCTION OF SANITARY SEWERS IN ASSESSMENT DISTRICT NO. 1, IRVINGTON SANITARY DISTRICT, ALAMEDA COUNTY, CALIFORNIA.

RESOLVED by the Sanitary Board of the Irvington Sanitary District that it is the intention of the Sanitary Board to order the following work to be done and improvements to be made in the Irvington Sanitary District, County of Alameda, State of California, to-wit:

It is the intention of the District to construct a sanitary sewer system in Assessment District No. 1, Irvington Sanitary District of Alameda County, California, consisting of the necessary collection mains described herein, and including manholes, cleanouts, and such other construction as is necessary for the installation and protection of said mains and for the replacement of any paving or other improvements damaged or removed during the installation, the sewers more specifically described as follows:

On Olive Avenue, an eight inch diameter vitrified clay sewer beginning at the existing manhole at the intersection of Olive Avenue and Irvington-Mission San Jose Road (County Road No. 398), and extending along Olive Avenue to a manhole to be constructed at the intersection of Olive Avenue and Palm Avenue.

On Palm Avenue, a six inch diameter vitrified clay sewer, extending northerly from the manhole to be constructed at the intersection of Palm Avenue and Olive Avenue approximately 400 feet; a six inch diameter vitrified clay sewer extending southerly from the herein described manhole at the intersection of Palm Avenue and Olive Avenue, approximately 610 feet; a six inch diameter vitrified clay sewer extending northerly from the existing manhole at the intersection of Palm Avenue and Irvington-Mission San Jose Road approximately 590 feet.

On Pine Street, a six inch diameter vitrified clay sewer extending easterly from the existing manhole at the intersection of Pine Street and Bryant Street, approximately 742 feet to a manhole to be constructed on the westerly side of Vallejo Street.

On Cedar Street, a six inch diameter vitrified clay sewer extending easterly from a manhole to be constructed at the intersection of Cedar Street and Bryant Street approximately 250 feet; and a six inch diameter vitrified clay sewer extending easterly from a manhole to be constructed at the intersection of Cedar Street and Ellsworth Street approximately 250 feet.

On Ellsworth Street, a six inch diameter vitrified clay sewer extending northerly from a manhole to be constructed at the intersection of Ellsworth Street and Pine Street, to a manhole to be constructed at the intersection of Ellsworth Street and Cedar Street.

On Vine Street, a six inch diameter vitrified clay sewer extending easterly from a manhole to be constructed at the intersection of Vine Street and Bryant Street, approximately 250 feet; a six inch diameter vitrified clay pipe extending easterly from a manhole to be constructed at the intersection of Vine Street and Ellsworth Street, approximately 250 feet.

On Olive Street, a six inch diameter vitrified clay sewer extending easterly from a manhole to be constructed at the intersection of Olive Street and Bryant Street, approximately 250 feet.

On Irvington-Mission San Jose Road, a six inch diameter vitrified clay sewer extending easterly from the existing manhole at the intersection of the Irvington-Mission San Jose Road and Ellsworth Street, approximately 250 feet.

On Olive Avenue, an eight inch diameter vitrified clay sewer extending northerly from the existing manhole at the intersection of Olive Avenue and Irvington-Mission San Jose Road to a manhole to be constructed in an easement described below, said manhole to be on the northerly extension of Olive Avenue.

Along a right of way and easement described as follows: Portion of Lot 17, as said lot is shown on the "Map of a portion of the property of the Palmdale Company, Washington, Township, Alameda County, California, filed December 20, 1904, in book 20 of Maps, page 8, in the office of the County Recorder of Alameda County, described as follows: Beginning at the intersection of the southwestern line of the County Road leading from Niles to Mission San Jose, with the northern line of the 4.86 acre tract of land described in the thence along the last named line south 7° 05' east 194.20 feet, more or less, to the south-

ern line of said Lot 17; thence along the last named line south 82° 55' west 198.10 feet, more or less, to the direct extension northerly of the westerly line of Olive Avenue, as shown on said map; thence along said extended line north 7° 05' west 10 feet; thence north 82° 55' east 188.10 feet, more or less, to a line drawn parallel with the western line of said 4.86 acre tract and distant at right angles 10 feet westerly therefrom; thence along said parallel line and along the direct extension thereof, north 7° 05' west 194.20 feet, more or less, to a line drawn parallel with the direct extension westerly of the northern line of said 4.86 acre tract and distant at right angles 10 feet northerly therefrom, thence along the last said parallel line and along the extension thereof, north 82° 55' east 643 feet, more or less, to said line of said County Road; thence along the last named line south 30° 45' east 10 feet, more or less, to the point of beginning. An eight inch diameter vitrified clay sewer extending the length of said right of way and easement.

Along Vallejo Street, an eight inch diameter vitrified clay sewer extending southerly from a manhole at the intersection of Vallejo Street with Mill Creek Road, along the easterly side of Vallejo Street to a point approximately 460 feet south of the intersection of Vallejo Street with the Irvington-Mission San Jose Road; an eight inch diameter vitrified clay sewer connecting the above described sewer with the sewer through the hereinbefore described right of way and easement; an eight inch diameter vitrified clay sewer extending southerly from a point approximately 800 feet north of the intersection of Vallejo Street with the Irvington-Mission San Jose Road, along the westerly side of Vallejo Street to a point approximately 320 feet south of the intersection of Vallejo Street and Pine Street; and an eight inch diameter vitrified clay pipe extending across Vallejo Street at the northerly end of said pipe; a six inch diameter vitrified clay sewer extending northerly from a manhole to be constructed at the intersection of Vallejo Street and Pine Street, approximately 590 feet.

On Mill Creek Road, a six inch diameter vitrified clay sewer extending easterly from a manhole to be constructed at the intersection of Mill Creek Road and Vallejo Street, approximately 590 feet.

All of the above mentioned work is more particularly and specifically set forth and described in the plans, profiles and specifications for said work heretofore adopted by the Sanitary Board of the Irvington Sanitary District by its Resolution No. 6 N. S., which plans, profiles and specifications are hereby referred to for all particulars in connection therewith. The public streets and rights-of-way hereinabove referred to are shown and delineated in detail and specifically located on the plans hereinabove referred to, and reference is made by specifically made to said plans, and notice is hereby given to all parties that specific locations thereof are contained in said plans; and be it further

RESOLVED that sanitary sewers and appurtenances be constructed in said streets, avenues, roads, lanes, courts, places and/or public ways hereinabove described, of the dimensions, materials, and in the particular locations set forth and shown on the plans and specifications and detailed drawings hereinabove and hereafter referred to; together with the construction of all appurtenances thereto, including necessary fittings, trenching, grading and regrading, excavation and fill, removal of obstructions, connections to existing services, back filling, reconstruction of existing ground surface as required to conditions existing prior to commencement of construction, all in the manner, of the materials and to the dimensions and to the grades, and in the particular locations as the same are more fully shown on the plans and specifications and detailed drawings hereinabove and hereafter referred to;

That the structures and work and improvements herein described shall be constructed to the grades and sub-grades elevations severally shown upon the plans and profiles and detailed drawings thereof, to which plans and profiles reference is hereby expressly made for a description of the grades to which all of the work and improvements under this Resolution of Intention shall be done, which said grades are hereby adopted and established as the official grades therefor for all purposes in connection with proceedings pursuant to this Resolution of Intention; notice is hereby further given that said grades are or may be, in part, new and different from those heretofore established or existing, or may be, and in some cases are, different from existing ground levels.

All of said work and improvements shall be done to the lines and grades as shown on the plans and profiles and in accordance heretofore, and on the 27th day of October, 1948, adopted by the Sanitary Board of the Irvington Sanitary District by Resolution No. 6 N. S., for the doing of said work and improvement, and which are now on file in the office of the Secretary of the Sanitary Board. Said plans and specifications, said profiles and detailed drawings and

diagrams accompanying the same are hereby expressly referred to for full and detailed description and location of said proposed work and improvements, the public streets and rights-of-way involved, and the grades of the public streets and rights-of-way involved, and of the grades to which said improvements are to be constructed.

Excepting from all of the herein described work all of said work that has already been done to the lines and grades shown on said plans and profiles, and in accordance with said plans and specifications;

All of said work shall include, without duplication, any and all streets, intersections, terminations and opposite terminations occurring within the limitations of said work;

The attention of all persons is directed to the fact that all of said classes of work above described may not be constructed upon all of the streets and/or public ways hereinabove described in their entirety, but only upon the particular locations as shown on the plans and specifications, to which the attention of all persons is directed for a description of the work, location of the several classes of work, a description of the classes of work to be done upon each of the several public streets or rights-of-way named, a description of the streets and rights-of-way, and for all other information contained in the said plans and specifications pertinent to the doing and completion of the work and improvements herein proposed;

And whereas, said contemplated work and improvements, in the opinion of this Sanitary Board, is of more than local or ordinary benefit, said Sanitary Board hereby makes the expenses and cost of said work and improvements chargeable upon a district, which said district said Sanitary Board hereby declares the district benefited by the work and improvements herein described; said district shall include that territory in the Irvington Sanitary District, County of Alameda, State of California, which is shown on a certain plat or map on file in the office of the Secretary of the Sanitary Board, and which is entitled and described as, "Map Showing Boundaries of District to be Assessed for the Improvements to be made in Assessment District No. 1, Irvington Sanitary District of Alameda County, California"; and which said map or plat indicates, by a boundary line, the extent of the territory included in the proposed district and covers all details as to the extent of the area to be assessed; said map or plat is, by this reference incorporated herein and made a part hereof;

Excepting from the area shown and delineated on said map or plat hereinabove referred to the area of all public streets, avenues, lanes, roads, drives, courts, places, public parks, and all easements and rights-of-way therein contained belonging to the public, and also all property owned by the State of California, the County of Alameda, and all School Districts contained therein, now in use in the performance of a public function.

Notice is hereby given that serial bonds to represent unpaid assessments and to bear interest at the rate of not more than five per cent (5%) per annum will be issued hereunder in the manner provided by division 10 of the Streets and Highways Code, the Improvement Bond Act of 1915, and the last installment of such bonds shall mature nine years from the 2nd day of July next succeeding the 10th month from their date.

Notice is hereby given that on Friday, the 17th day of December, 1948, at the hour of 7:30 o'clock P.M. or said day, at the meeting place of the Sanitary Board of the Irvington Sanitary District, which is hereby fixed at Mission San Jose Grammar School Building on Vallejo Street, Mission San Jose, California, in said Sanitary District, any and all persons having any objection to the proposed work or improvements or any objections to the grades to which the said work is proposed to be done or to the boundaries of the district proposed to be assessed to pay the cost and expenses of said work, may appear before said Sanitary Board of the Irvington Sanitary District and show cause why said improvements should not be carried out in accordance with this Resolution, and may present written protest, not later than the hour hereinabove set for hearing, against the doing of said work, the grades to which said work is to be done, or the extent of the territory to be assessed to pay the cost and expenses thereof.

The Secretary of the Sanitary Board shall cause this Resolution of Intention to be published twice in the Township Register, a weekly newspaper of general circulation published and circulated in Alameda County, California, which said newspaper has heretofore been designated by said Sanitary Board as the newspaper in which shall be printed and published all notices, resolutions, orders and other matters required to be published in the proceedings taken pursuant to this Resolution and under the provisions of the said "Improvement Act of 1911" and amendments thereto; the first publication of said notice shall be not less than ten (10) days prior to the date herein fixed for hearing on this Resolution of Intention.

The Superintendent of Streets shall cause to be conspicuously posted upon the lines of said contemplated work and improvements and in front of all of the property to be assessed notices of the passage of this Resolution of Intention in the time, form and manner required by law.

The Secretary of the Sanitary Board is hereby directed to mail notice of the adoption of this Resolution of Intention, postage

# Thanksgiving

## ...Around the Township...

Township families, once again gathering around the festive tables for Thanksgiving family parties, have an unusual and distinctive blessing for which they can be particularly grateful. Their whole Thanksgiving dinner—with the exception of cranberries—can be prepared from produce raised right here in the township! And, who knows?—perhaps some day we'll even have cranberry bogs here! At any rate, when we sit down to the Thanksgiving dinner, let us be glad to live in one of "God's special little corners" on this earth where we can go out in our back yard and "pick" our whole dinner—from olives, to turkey, to nuts!

This year, as usual, most township families have elected to stay at home, inviting their friends and relatives in to help them observe the holiday in the traditional manner. Mr. and Mrs. Jack MacGregor of Centerville will have as their guests his parents, Mr. and Mrs. A. H. MacGregor of San Jose, his brother, Mr. Arthur MacGregor, also of San Jose, and his aunts, Mrs. Emma Murray and Mrs. Margaret White of Niles.

Mr. and Mrs. Chester Gunn of

Newark will be guests instead of hosts this year, going over to her sister's home, Mr. and Mrs. David Scott, in Redwood City, for dinner.

Mr. and Mrs. F. A. Muller of Newark will motor over to her brother's home, Mr. and Mrs. Russell Robie, in Albany, to have dinner. Accompanying them will be their granddaughter, Mrs. Rebecca Lamb and her daughter, Margaret, who are visiting here from Chicago. Also a guest of the Albany couple will be Mrs. Walter Robie of Alvarado.

It will be a family gathering at the home of Mr. and Mrs. Arthur Belshaw in Centerville with the following guests present: Mr. and Mrs. Ben Murphy of Niles, Mrs. S. B. Van Dervoort of Niles, Mr. and Mrs. Austin Waldron of Centerville, and Mr. and Mrs. Jack Pool and son, Charles, of Newark.

Mr. and Mrs. Ralph Goodwin of Centerville will motor up to Redway to be the guests of his sister and brother-in-law, Mr. and Mrs. Howard McGowan. Accompanying them will be another sister and her husband, Mr. and Mrs. Homer Robinson and their son, Peter, and daughter, Pat, of Yosemite, who were week-end guests of the Goodwins.

Mrs. DORA SCUDDER of Niles, newly-elected worthy matron of Orient Chapter, O.E.S., will motor up to Oakland to have dinner with her daughter and son-in-law, Mr. and Mrs. Lloyd H. Truman.

Mr. and Mrs. Roland Bendel will be guests of her sister, and husband, Mr. and Mrs. E. C. Wood, of Mill Valley. Also present will be Mr. and Mrs. Frank Lombardi (Winifred Bendel), who will return to Niles with the Bendels to spend the week-end.

Mr. and Mrs. Harvey Braun of Centerville won't have to travel far, even though they will be away from home for their Thanksgiving dinner. They will go only as far as the home of their daughter and son-in-law, Mr. and Mrs. J. C. Wallman, also of Centerville.

Mr. and Mrs. Manuel DeSalles of Cherry Lane, Niles, will have as their dinner guests Mr. and Mrs. Frank DeSalles of Niles and Mr. and Mrs. Arthur Silva of Newark.

Mrs. Fern Mitte is looking forward to having all of her sons home for Thanksgiving. She and her husband will entertain as dinner guests Dr. and Mrs. Harry Green of San Francisco, Mr. and Mrs. Marshall Green and son, Don, and Mr. Morrison Green and son, Everett (Butch).

At the home of Mr. and Mrs. Walter Sletten of Niles will be guests from Berkeley, Mrs. John Hopkins, and her son, Mr. John Hopkins Jr.

Mr. and Mrs. Karl Nordvik of Centerville, and her father, Mr. Harry Weber, will be dinner guests at the home of Mrs. Nordvik's aunt, Mrs. Walter Steinmetz of the P.G. & E. substation at Newark.

Coming home from Stanford for the holiday will be Miss Judy Hill, who will have Thanksgiving dinner with her mother and father, Mr. and Mrs. A. B. Hill. Accompanying her will be her roommate at Stanford, whose home is in the Hawaiian Islands. Also at the Hills for Thanksgiving will be Mrs. Hill's parents, Mr. and Mrs. F. W. Waterhouse, and her brother, Richard Waterhouse, of Palo Alto.

Mr. and Mrs. Eugene Ramsell of Centerville are looking forward to having dinner with the Joe Bauhofers, also of Centerville.

At Mrs. C. N. Myrick's home will be her son and daughter-in-law, Mr. and Mrs. C. N. Myrick Jr. and their son, C. N. III, and her other son, Jack, and Miss Exie Foster of Alameda.

At the Robert Blacow home in Niles, seven guests for sure, and possibly more, will be sitting down to the turkey dinner. The guests are Mrs. Blacow's mother, Mrs. W. W. Steele, her brother, Elmo Steele, Mrs. Mildred Wilder, Mrs. Charles Evans, and the Misses Harriet, Beatrice and Edith Jones.

Mr. and Mrs. Clarence Crane will make it a family gathering by inviting her sister and husband, Mr. and Mrs. H. W. Rice of Oakland, and Mrs. Crane's nephew and wife, Mr. and Mrs. William Rice of Oakland. Also present will be Mrs. Crane's mother, Mrs. William Sylvia.

Mr. and Mrs. Michael Overacker of Mission San Jose will have as guests her sister and family, Mr. and Mrs. Ramon Barnum of Niles.

Mr. and Mrs. F. J. Garcia will be hosts to their daughter and son-in-law, Mr. and Mrs. L. A. Mayer and their two sons, and another daughter, Miss Evelyn Garcia, and Mr. Mayer's mother, Mrs. M. Mayer.

Mr. and Mrs. R. J. Wright of Irvington will motor over to San Francisco for their turkey dinner, as guests of Mrs. C. Rasmussen.

Mr. and Mrs. Ed Mara of Niles will take time out from their folk and square dancing activities to host a dinner party for his two brothers and their families, Mr. and Mrs. John Mara of Niles and Mr. and Mrs. Joe Mara of Oakland.

Mr. and Mrs. V. C. Wykoff and family will be dinner guests at the home of her mother, Mrs. Joe Champion of Niles.

Mr. and Mrs. R. Cozzi will be dinner guests at the home of her mother, Mrs. George Duffey of Niles.

Mr. and Mrs. Leon Solon of Niles and their son and daughter-in-law, Mr. and Mrs. Bob Solon, will make it a family reunion at the home of their daughter and son-in-law, Dr. and Mrs. Jack

Rathbone in Santa Barbara. The Solons left today and will return Sunday.

The A. E. Alameda family of Irvington will spend the holiday at the home of Mr. Alameda's sister and brother-in-law, Mr. and Mrs. Mrs. Charles Sargent of Alameda.

Mr. and Mrs. Irving Hird and family will motor down to Avenal in southern California to spend Thanksgiving with her sister and husband, Mr. and Mrs. Hal Crawford. Also present will be Mrs. Hird's parents, Mr. and Mrs. P. J. Shoup of Merced. On Friday, the Hirds will leave for Hanford, where they will spend the remainder of the Thanksgiving vacation at the home of Mrs. Hird's people.

Mr. and Mrs. LeRoy Brown and son will spend the day at the home of Mrs. Quinn in San Francisco. Accompanying them over to the city will be Mrs. Brown's father, Mr. U. M. Jones, of Los Angeles, who has been visiting them here in Centerville.

Mr. and Mrs. William D. Cull will have as their dinner guests Mr. and Mrs. F. H. Smith of San Jose; and Mr. and Mrs. W. A. Garner of Hayward.

Dr. and Mrs. E. C. Grau of Niles will motor over to San Francisco to have dinner with her sister and husband, Mr. and Mrs. Odd Froyland. They will be joined by Betty Grau, a student at U.C. in Berkeley.

Dr. and Mrs. E. M. Grimmer Jr. will be hosts to several dinner guests, including his parents, Dr. and Mrs. E. M. Grimmer Sr., and daughter, Anna Mae, Mr. and Mrs. David Dickenson (Martha Grimmer), Mr. and Mrs. Charles Wauhab and daughter Dale, and Mr. and Mrs. Dan McCarthy and family of Sunol.

There will be a whole family of "Browns" at the home of Mr. and Mrs. Joseph Brown in Centerville. Sitting down for the Thanksgiving feast will be Mr. and Mrs. Ruel Brown and family of Niles, Mr. and Mrs. Ralph Brown and daughter of Newark, Mr. and Mrs. Vernon Brown and family

of Centerville, and Mr. and Mrs. Joseph Brown of San Andreas.

Mr. and Mrs. Henry Enos of Niles will motor up to Alameda to dine with her sister and brother-in-law, Mr. and Mrs. William Yates.

Mr. and Mrs. Ed Enos and Mr. and Mrs. Joseph Enos and family will dine at the home of a sister, Mrs. J. J. Vincent, in Piedmont.

There will be no dearth of turkey at the L. L. Lewis family in Niles, for "L.L." won two at the turkey shoot at Newark. The family, obviously, will remain home for dinner.

### Mrs. Harry Von Querner Honored at Shower

Mrs. A. W. Gorman and Mrs. Harry Querner of Niles were co-hostesses at a baby shower given last Monday evening at the Gorman home for Mrs. Harry Von Querner Jr., the former Betty Vieux of Niles.

The young mother-to-be was the recipient of an arresting array of beautiful and practical gifts given to her by her host of friends here in the township.

The refreshments featured an elaborately decorated cake which brought the "oh's" and "ah's" from the admiring guests. The cake, provided by the guest of honor's mother-in-law, Mrs. Harry Querner, was decorated in miniature rushes and storks hovering over a tiny cherub.

Those invited included Mmes. Joseph Wallmann, Thomas Jackson, R. L. Creighton, Donald Lemos, Glenn Mohn, Peter Juhl, Henry Vervais, Harry Querner Sr., J. E. Geib, George Geib, L. A. Vieux, A. W. Gorman Jr., George Burr, Clarence Crane, George Smith.

Also invited were the Misses Harriet Dias, Marjorie Brunelli, Betty Rose, Miki Mohn, Helen Mae Vieux, Georgia Cooper and Jeanette Vieux; and Mmes. Kay Lauchert, Mary Haiduk, M. Mayduk, Marian Zwissig, Nellie Vieux, Irene Henderson, Dorothy Rose, Theresa Swartz, Agnes Murray, Rose Vieux, Flora Silva, Martha Marshall, Mary Regan, Lillian Brunelli and Barbara Hallen.

The Township Register reaches more subscribers than all other local newspapers combined.

### Buffet Supper for Engaged Pair

The Rev. Donald Kirkbride and his bride-to-be, Miss Miki Mohn, of Niles were the guests of honor at a neighborhood buffet supper given last Sunday evening at the home of Mr. and Mrs. A. W. Gorman. The guests, who presented the young couple with a handsome gift, included Mr. and Mrs. Robert Wright and son, Edward, Mr. and Mrs. Peter Juhl and son, Ralph, Mr. and Mrs. Henry Vervais and daughters Merle and Joan, and Mrs. Vervais' mother and sister, Mr. and Mrs. Glen Mohn, Mrs. Agnes Murray, and the guests of honor.

### Young Couple Move to Newark

Mr. and Mrs. A. W. (Bud) Gorman Jr., formerly of San Francisco and Niles, moved into their brand new home on Magnolia street in Newark last Sunday. Mr. Gorman, whose parents live in Niles, is connected with the P. G. & E. His bride of a few months is a former school teacher from Alameda.

The Arlington National Cemetery was established June 15, 1864.

### Borghi Family See Son at Big Game

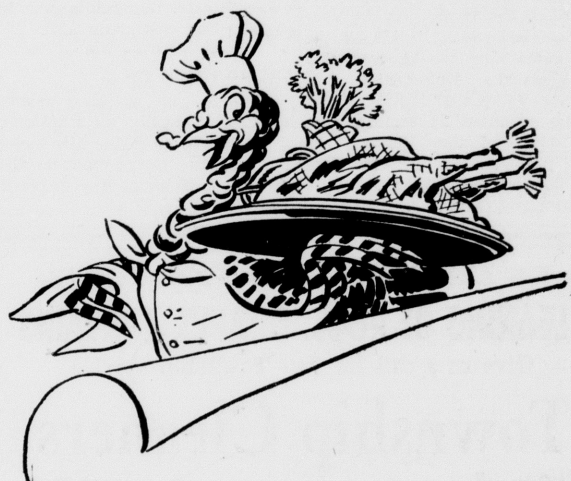

Some of the most fervid and loyal supporters for the Cal team last Saturday at the Big Game were the Borghi family of Decoto who watched "Hank" Borghi's splendid performance. Witnessing the game as a proud spectator was his mother, Mrs. Bessie Borghi, and his brother, Frank. Also present were the Franco Borghis of Santa Clara, and two daughters.

After the game the group went to the Claremont for dinner and were joined by Hank and another Cal football player, "Duke" Zenovich, in addition to three other young men, George Zenovich, a student in Los Angeles, John Markovich, also of Los Angeles, and Reed Robbins, a former student at Cal.

After dinner, the young people finished up the Big Game festivities at the Mt. Diablo County Club.

### Newark Woman Home

Mrs. S. G. Scott of Newark has arrived home after ten days spent in Stockton at the home of Mr. and Mrs. H. J. Webb. Mrs. Webb, Mrs. Scott's sister, is the mother of a new baby, and Mrs. Scott had the pleasure of caring for the newborn infant.

## HUSKIES DOWN CAMPBELL 12 TO 0 TO WIN PENNANT

(Continued from page 1)

then cut back to go 65 yards down the sidelines to the Buccaneers' 20. After two series of downs, Sankene bucked the center of the line, going over to score from the one. His try for the extra point was wide, to make the score 12-0 in favor of Washington.

A few plays later Campbell was forced to punt. Starting from his own 42 after a 15-yard clipping penalty, Sankene ran 55 yards off-tackle, twisting, faking, and powering his way to the Campbell 4-yard line. Les Kiou scored from there on a wide end sweep. The conversion was made on a pass into the flat from Sankene to Halfback Johnny Recend.

### ANOTHER CALLED BACK

Another touchdown was scored but called back by a penalty late in the final period. Reserve Left Halfback Pat Francis went around end on a well performed 27-yard jaunt, in vain. The final game of the season ended moments later, the Buccaneers never once having entered the victorious Huskies' territory in the last half of play in the 1948 season, a fitting finale for any champions.

The combined effort of the Huskies was excellent, due probably in some respects to the fact that for 22 of the 37 men on the varsity, 14 lettermen, it will be the last game they would ever play for Washington Union High.

### THREE-YEAR LETTERMEN

Two of these 22 seniors, Dan Goularte and Jim Herring, are three-year varsity lettermen. There will be several one and two-year lettermen graduating. Heading

## LEAGUE STANDINGS

Standings of the Southern Alameda County Baseball League as of last Sunday's games are as follows:

Teams	W	L
Irvington Merchants	5	0
Ashland Merchants	4	1
Niles Merchants	3	1
Marlo Packers	3	2
Hayward All Stars	2	2
United Auto Workers	2	3
Pacific Carpenters	0	5
Pacific States Steel	0	5

The list is Joe Sankene, Washington's candidate for All-S.C.V.A.L. halfback. Others by their positions are: backs, Durazo, Kiou, Lewis, Recend, Brownlee and Ayala; ends, Orozco, Morris and Auchard; linemen, Day, Lizardo, Bettencourt, Duffie and Brazil.

The varsity, preceding the Campbell game, elected as co-captains for the season Joe Sankene, who was the center of the Huskies' attack both defensively and offensively as well as being one of the largest ground-gainers from scrimmage in the league, and Dan Goularte, the other key man in the Washington machine, who received a severe knee injury late in the San Jose Tech game, was shown by his teammates how valuable an asset they felt he was by electing him co-captain also.

### SALMON RUN ON

A large run of king salmon has just moved into the tributaries of the Eel River in the Mendocino County area. Large numbers also are now in Tomales Bay in Marin County.

## PUPPIES LOSE TO CAMPBELL

The Washington 130's lost their final game of the season to a strong Campbell B team by the score of 12-0.

The Puppies received a costly blow to their chances of winning when early in their last week of practice, George Pagan, passing fullback, received a broken ankle, marring what had been a good passing attack.

Campbell scored both touchdowns on long passes, one good all in all for 46 yards, the other for 52.

The Puppies' hard tackling center and all-around defensive student, R. E. Miller, was elected captain for the season by his teammates. Two other senior players played their last high school football game. Hard-running fullback and broken field runner, Lanao Moga, and Yukio Hisaoka, elusive scatback.

## SPORTSMEN'S CLUB LISTS WINNERS

Winners of the turkey shoot held November 7 by the Niles Sportsmen's Club were announced at a meeting held last week, as follows: 22 Rifle Range: Frank Martin, Vernon Sinn, Richard Hoff, John Grinaldo, Douglas Mayock.

High-Power Rifle: Joe Migara, M. E. Griffith, John Barnes, J. Paulsen, C. Lelpenstolph, D. Clark, Eddie Hill, C. Stampa, J. Torquemada.

TrapShoot: D. Mayock, M. Tragulla, H. Davis, Ben Mengaria, J. Lago, Leon Musgrove, Tony Ray, John Wipfli, John Torquemada, L. L. Lewis, C. Mickelsen, Joe Rose, Joe Mengaria, A. Fields, Bill Tyson, E. H. Frick, Mr. Fallavena, Ken Perry, Joe Pine, Mr. Branigu, Geo. Bonde, R. Davis, Mr. Davies.

It was announced that the next turkey shoot will be held on December 12.

Chairman of the shoots was Clarence Musgrove. E. H. Frick is president of the Niles Sportsmen's Club.

## 'TWO PLATOON' SEAHAWKS DUMP STARS, 32 TO 6

The Washington Stars ran into "two-platoon" football Sunday at Santa Cruz, falling before the Santa Cruz Seahawks by a count of 32 to 7 in their final game of the season.

The game, last of the season, was tightly contested throughout the first half, before the Stars were worn down by separate Seahawk offensive and defensive eleven.

The Seahawks drew first blood in the game, scoring after a drive from the Star 38-yard line. The conversion place was blocked, and game score stood at six to zero.

### STARS BOUNCE BACK

The Stars bounced back into the ball game just five plays after taking the Seahawk kickoff, sending Don Furtado over on a 42-yard Alex Bernard-to-Furtado pass play.

Eldon Mohn's conversion was good, and the Stars held a 7 to 6 edge going into the second.

### SEAHAWKS SAIL

Midway through the second quarter the Seahawks tallied their second, and game winning touchdown, when Bill Boone smacked over the goal from the 2-yard stripe. Boone had set up the score by breaking away for 20 yards to the two.

Scofield's second conversion try went wide, and the Stars trailed at half-time by a score of 12 to 7.

In the third quarter the Seahawks added another TD to their credit, scoring after a 39-yard drive. The conversion was scored on an end zone pass.

Another quarter score came via a 23-yard run around left end, climaxing an 80-yard march.

Following the Seahawk kickoff the Stars put an offensive drive together, marching from their own 20 to the host 11-yard stripe, before surrendering possession of the pigskin on downs. The locals gained both on the ground and by the air lanes, sending Bernard through center repeatedly, and Weldon Pine and Ruben Rodriguez around end. In the passing department passes from Bernard to Furtado, Alameda, Peixotto, and Freitas accounted for good yardage.

### FINAL SCORE

The Seahawks ended scoring for the day late in the fourth quarter, sending Scofield over from the Star 16 to climax a 29-yard paydirt campaign. Scofield's conversion was good, to make the final score read 32 to 6.

The Township Register reaches more subscribers than all other local newspapers combined.

## IRVINGTON TEAM TAKES FIRST PLACE IN LEAGUE

The Irvington Merchants baseball team racked up its fifth straight victory of the season in Southern Alameda County Baseball League play last Sunday, smacking out a 17 to 8 win over the Hayward All Stars.

In winning the contest the Merchants took over undisputed first place in league standings for the first time this season, as the Ashland Merchants, former co-league leaders, went to defeat before the United Auto Workers squad.

With but two more games to play in league first half play, next Sunday's tilt between the Ashland team and the Irvington squad looms as a league "crucial," as a win would cinch a league pennant for the Irvington club, while a loss will put standings back into a two-way first place tie. The game will start at 2 p.m. at the Irvington Grammar School diamond.

E. Rose and A. Rivers uncorked triples for the township team, while M. Marshall, T. Garcia, and H. Strub accounted for doubles. On the pitching ledger H. Dutra struck out eight men, while walking five.

In all, the Merchants rattled the boards for 19 hits in the course of the game, while the All Stars were accounting for 13.

## Thinking Things Over ...

By VIVIAN BATMAN

### PARKING—\$5

At the Big Game Saturday in Berkeley, you could park your car at parking lots near the stadium for from \$3 to \$5. There was a sprinkling of Cadillacs and Lincolns in the parking lots. Not being of the Cadillac or Lincoln class, we walked.

Though my sympathies are, traditionally, with Stanford, nevertheless I'll have to admit that the students of Cal on "Frat Row" or whatever they call it there, really put on a show for the Big Game visitors. Clever animated figures and signs on the houses brightened the entire walk to the stadium. There are some advantages after all in not being of the Cadillac and Lincoln class!

### IT'S GOOD

It's a custom of mine to tell you about excellent dining spots when I come across one. On Big Game night we had dinner at a place in San Francisco called "The Shadows." It's well known in San Francisco, but it was the first time I had ever been there. Situated right near Julius' Castle, the view of the bay and light-studded panorama was surpassed only by the food—and that's saying something! The atmosphere was Bohemian, and friendly, at least it was on Big Game night!

### IT DOES!

Bernie Joseph of Olson's Market in Decoto ran a coupon in his ad in last week's Register, which was good for a 15-cent reduction on a three-pound can of Crisco. He sold completely out of Crisco! Who says that advertising doesn't pay!

### CONGRATULATIONS, NEWARK!

Newark has the right Christmas spirit! It has issued a special invitation to Santa Claus to appear in its town and to visit every home where there is a porch light burning. Needless to say, Santa Claus will be flattered by such a warm invitation, and will doubtless outdo himself in making the occasion a festive one.

Congratulations to a live Chamber of Commerce!

### OUR AMERICAN HOLIDAY

A dinner to be thankful for will be served on Thanksgiving Day at the Joseph R. Telles Sr. home on the Livermore highway, with Roe Garcia doing the cheffing. Mr.

Lois Bottenberg and Mrs. "Shorty" Cunha and daughter, Janice, Mr. and Mrs. Claire Telles and son Jr., Mr. and Mrs. Dick Valence of Milpitas, sister of Roe, Bud Telles, Stanley Garcia, son of Mrs. Roe Garcia, and a mutual friend of the family and her husband, Mr. and Mrs. Ray Freitas of Sunnyvale, the former Laura Garcia of the Mission, will partake of all the delicious food and knickknacks which go toward making an American Thanksgiving worth while.

### LUCKY HUNTERS

First day hunters for those beautiful birds, the pheasant, were lucky. At least some of them were for Jack Pereira, Chet Holtz and Joseph Semas all bagged one each.

### TO 'PASSION PLAY'

Thursday last St. Mary's of the Palms chartered two Peerless buses to take the girls in a body to San Jose auditorium where they viewed the "Passion Play" and enjoyed it ever so much. On Sunday, to celebrate the feast of St. Cecilia, the patron saint of music, Sister Baleria presented her pupils in a music recital which was well attended by the townspeople. Shirley Cunha, Iris McNemar and Mary Ann McVior are pupils living in town who also played numbers for the affair.

### FINE BREAKFAST

Sunday morning eighteen members of the Y.M.I. attended mass and communion at St. Joseph's Church and followed this with a grand ham and eggs breakfast with shoestring potatoes, done to a golden brown in the newly installed French fryer at Helen's Place here in town. Usually they have breakfast in the Old Adobe but thought it would be a lark to really "go all out" for a breakfast where none of the members had to cook or serve it.

### DOUBLE CELEBRATION

A double birthday party and a

pre-Thanksgiving dinner all rolled into one was served at the Bottenberg home on Saturday evening in honor of Norman J. Kamp, Nov. 18, and Glenn Bottenberg, Nov. 20. Mr. Kamp is the husband of the former Elaine Justus. Those present to wish the fellows many happy returns of the day were: Mr. and Mrs. Tom Santos, Diane and Michael of Burlingame, Mr. and Mrs. Bud Justus and Cynthia Gail of El Cerrito, Mr. and Mrs. N. J. Kamp, Vicki Jay and Teri June of Placerville, Great Grandmother Wilcox and Lois and Glenn Bottenberg.

### AT PALM SPRINGS

Miss Louise Correia, Mrs. Maria Schneider and daughter Rosemary, accompanied by Michael Luther of St. Mary's of the Palms, returned from a two weeks' vacation to

Palm Springs and southern points on Sunday and reported wonderful weather and a grand trip.

### GOOD WISHES

Who was that Little White Hair-ed Lady I saw sitting at an upstairs window the other day? Yes, Miss Abbie is getting nearer and nearer to being ready to come out into the open air and sunshine again following her recent illness and everyone is hoping it is very soon. We won't visit you too much for company might make you too nervous, but you will know we are pulling for you every day.

### TAKING IT EASY

Mrs. Elizabeth Sloan, who fell at the library in Irvington some weeks ago, is again back home but has to take it very easy as she is still very weak in those broken vertebrae.

## POTATO GROWERS GIVEN WARNING

California growers of early potatoes should give some thought to a shift in the use of their land, in the light of a possible decline in relation to the prices of several other crops which could be produced on the same land.

This was the warning issued by Ivan M. Lee, instructor of agricultural economics for the Giannini Foundation.

### PRICE VARIES

Although California has a yield of over three times that averaged by ten competing Southern states, and has produced more early potatoes than those ten states combined, marketing of this crop has brought about a widely fluctuating price condition. Early potato farmers would be "warranted in giving serious consideration" to production of other crops equally suitable for their land, Prof. Lee declared.

Citing increased California production during the past few years, with 33 million bushels harvested from 81,000 acres in 1946, the peak year, Prof. Lee predicted a downward revision in support prices of potatoes, in relation to other crops.

### CONSUMPTION DECLINES

According to Prof. Lee, per capita consumption of Irish potatoes in the nation has declined gradually over the past 25 years, indicating a shift in consumer taste away from potatoes, except for the early variety.

The bulk of California's early potatoes are marketed during the late spring months of May and June in direct competition with early potatoes from the southern states.

The Township Register reaches more subscribers than all other local newspapers combined.

## POSTMASTERS ELECT NEW OFFICERS

By LOIS BOTTENBERG

Wednesday, November 18, was the regular business meeting and election of officers of the Alameda County Postmasters' Association with Host Postmaster Manuel Joseph doing the honors. He entertained at the Irvington Grammar School cafeteria with a grand enchilotas feed for nearly a full membership.

Joseph Chargin of San Jose, past president of the State Association, had made a trip to New York to the national convention with his wife and son, and he came back to tell all about the convention, his funny experiences and also some not so funny. For instance about five bucks worth of pecans purchased in Oklahoma were taken from him at the California border because of weevils.

After business was dispensed with, the election of officers followed with Postmaster Lois Bottenberg of the Mission elected to serve for the following year as president; Postmaster Harry Dietrich of Pleasanton as vice-president, and again Postmaster Ford Samuels of Alameda was unanimously elected for the secretary-treasurer post to serve in 1949.

Those present were: Postmaster and Mrs. Luther Dunlop of Berkeley, Postmaster and Mrs. Ford Samuels of Alameda, Postmaster Genevieve Dutra, junior past president, and her husband of Alvarado, Host Postmaster Manuel Joseph of Irvington, Postmaster Bill McKinnon and carrier Mr. Richie of Livermore, Mrs. Tony Foster pinching for Postmaster Foster in his absence from Hayward, and her friend, Mrs. McBarron, head of the Democratic committee for this district, Postmaster and Mrs. Joseph Brown of Warm Springs, Postmaster and Mrs. Stephen Graham of Oakland, Postmaster Gertrude Mooney of

## FARM NEWS

AGRICULTURAL EXTENSION SERVICE

### DON'T OVERFEED CALVES

Overfeeding dairy calves is a common mistake, according to Lee Benson, farm adviser, University of California Agricultural Extension Service. Trying to make a calf grow faster by feeding it too much will result in indigestion and scouring.

The milk for each calf must be measured. A spring scale with a hook for the pail can be used. The calf should not be fed as much as it can hold, nor should any sudden changes be made in the quantity or quality of the milk.

A normal calf should take its first feedings on the mother's first milk. The mother's milk contains substances that will help the calf resist diseases during its early life. After a day and a half, or two days, it can be removed from the dam and taught to drink whole milk from a pail.

The calf should receive whole milk during the first two weeks of its life. Small or weak calves may need a little longer. At the College of Agriculture at Davis, Jersey calves get four to six pounds of milk a day during the first ten

San Lorenzo, her husband and her money order clerk Mrs. Viedell, Postmaster Harry Dietrich of Pleasanton, Postmaster Julia Harris and husband Elmer of Newark, Postmaster Mary Janeiro of Decoto, Postmaster and Mrs. Edward Enos of Niles, Postmaster Lois Bottenberg, her husband, and Mrs. Rose Garcia, her clerk, of Mission San Jose. Postmaster and Mrs. George Perry of San Leandro sent their regrets as they could not attend.

No December meeting will be held due to the press of Christmas mailings, and the January meeting will be held in Alvarado with Junior Past President Genevieve Dutra doing the honors.

## HERE AND THERE IN DECOTO

By RAMONA FINE

### FIRE HERE

The Decoto Fire Department responded to a fire at a shed at 617 Fourth street, on Thursday, Nov. 18. The shed belonged to Tony Martin. Paper sheeting on the outside of the building was on fire, presumably started by children playing with matches.

### COSMETIC PARTY

A cosmetic party was given at the home of Miss Isabel Ariza on Friday evening. The hostess was Mrs. Kathy Martinez. After the party, refreshments were served by the hostess. Those attending were: Isabel Monte, Barbara Monte, Mary Blair, Agnes Gonzales, Julia Mateo, Isabel Ariza, Mary Ann Villegas, Ramona Fine, Mrs. Mary Torquemada and

days after they have been taken away from the dam. Holstein calves get six to eight pounds a day, depending upon their size. A good rule to follow is to feed a calf slightly less than one pound of milk for each ten pounds of his body weight.

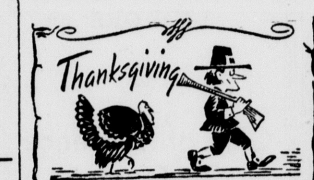

A calf should be fed morning, noon, and night during the first two or three weeks. From then on twice a day is enough. After it is ten days old, concentrates and roughage should be available at all times.

For the first two months milk should be fed at 90 to 100 degrees. As the calf grows older, the milk need not be quite so warm. It should never be cold, however. If the milk is too rich in fat it should be diluted with water or partially skimmed, as it may cause indigestion.

Total grain stocks in California warehouses and mills on October 1 were much larger than last year at the same time. Barley stocks were particularly large, 558,590 tons, as compared with 369,657 tons in 1947. This is 100,000 tons larger than any October 1 barley inventory for five years.

Chick hatchings in California in August were the highest for that month since meat rationing ended in 1945, according to the California Crop and Livestock Reporting Service.
